

FITCHBURG SERENITY CLUB

May 16, 2023

Dear FSC Member,

If you are reading this letter, chances are that you need very little convincing of the important work the Fitchburg Serenity Club provides daily to anyone in need of recovery. This tradition dates all the way back to 1977 when on November 1st the small schoolhouse, decorated with ghouls and goblins from the prior evening, hosted its first AA meeting with just two attendees. Forty-six years later with monthly attendance in the thousands, FSC hosts dozens of meetings representing a variety of 12-step recovery programs. The ghouls and goblins did not go away, but rather are illuminated each year by more than 10,000 pumpkins on our beloved Pumpkin Tree! Like our mighty oak, the roots of recovery at Fitchburg Serenity run deep.

In June of 1981, the Fitchburg Serenity Club signed its first formal lease with the Town of Fitchburg. This year we invite you to celebrate our history and our recovery community at FSC's **First Annual Founders Day Celebration Brat Fest on Saturday, June 3rd**. This is in addition to our annual Summer Festival Potluck Picnic on Saturday, July 22nd. Details for both events are included on the attached flyers but in addition to food, fellowship, and 50/50 raffles, live music will be provided by our very own house bands, **Half Measures**, and **Turning Point**. Friends and family are more than welcome, and both parties lead right into the **Burn the Idea! Bonfire Meeting** outside at FSC's treasured firepit.

Each One, Reach One Membership Drive

We are asking that each FSC member reach out to a friend in recovery, the person next to them at meetings, and tell them how important membership is to the club. Ask them to join Fitchburg Serenity Club in an official capacity. Members get their own coffee mug, discounted beverage pricing, and the ability to vote at Board Elections. Our hope is that by increasing our membership we will raise the necessary funds to keep pace with our ever-growing building and grounds projects. Membership envelopes are located throughout the clubhouse and may be deposited in the safe outside Room E.

Thank you all for your continued support of the Fitchburg Serenity Club. We hope to see you at our Founders Day and Summer Festival Celebrations!
